About Our Auction

Parents, friends, families, and supporters,

St Laurence's Parents Association is proud to host this very special event raising funds to transform our school's outdoor play area into a vibrant, inclusive and inspiring space for our children.

Imagine the playground brought to life with climbing walls, quiet pods and outdoor games. This vision is within reach but we need your help to make it a reality.

Each bid you place is a step towards creating a space where every child feels included and where memories are made every day.

So bid generously, bid enthusiastically, and most of all enjoy. Together, we can build something truly special.

Let the auction begin!
